- 1. The United States Attorney's Office has developed an early disposition program for immigration cases, authorized by the Attorney General pursuant to the PROTECT ACT of 2003, Pub. L. 108-21. Pursuant to this program, the government has extended to the defendant a plea offer in which the parties would agree to jointly request an expedited sentencing immediately after the defendant enters a guilty plea.
- 2. The U.S. Probation Office cannot begin obtaining the defendant's criminal history until after the defendant enters his guilty plea unless the Court enters an order directing the U.S. Probation Office to do so. Such an order is often entered in the minutes of a defendant's initial appearance when charged by indictment.
- 3. The U.S. Probation Office informs the government that it would like to begin obtaining the criminal history of defendants eligible for the early disposition program as soon as possible after their initial appearance so that the Probation Office can complete the Presentence Investigation Report by the time of the expected expedited sentencing.
- 4. Accordingly, the parties request that the Court enter an order directing the U.S. Probation Office to prepare a report detailing the defendant's criminal history. DATED this\_ 1011 day of April, 2025.
